### 3. Read the texts below and say whose perfect weekend you like most and why.

**1**

Andy: I have so many ideas about how to spend my perfect weekend. I'm very active, so I enjoy **working out** in the gym or playing basketball with my neighbour. At the weekend I can **stay up** late because I don't have to **wake up** early. In the evening, I order some pizza and watch YouTube or listen to podcasts.

**2**

Ella: Every day I'm in a hurry, so for my perfect weekend I like to **stay in** and relax. I love cooking, so I rarely **eat out**. On Saturday evening, I **invite** some friends **over**, we eat something delicious and play board games. That's what I like!

**3**

Peter: My perfect weekend is when I **go out** to a restaurant with my partner and friends. We **dress up** to make the evening more special and choose a fancy place to eat. The other option is when we **go away** for a weekend to visit a place we have never been to before. We forget about work for two days and it's very relaxing.
